# Extend your ADP® platform with easy-to-use HR solutions

## Deliver the HR experience that's right for you and your employees.

In the world of HR, it's critical to ensure data runs smoothly. Trying to manually stitch together data from multiple HR systems can be time-consuming and costly. With solutions from ADP Marketplace, a digital HR storefront, you can quickly and easily connect employee data between ADP and other HR solutions. The pre-built integrations can help you streamline your processes and increase efficiencies with choice and flexibility.

We make it easy to try, buy and implement new HR solutions based on your biggest needs. Discover best-fit apps for your industry or browse by solution type like learning management, financial wellness, time and attendance, and benefits administration. With full-featured free trials, you can evaluate many solutions risk-free. Plus, read real client reviews to help make an informed choice.

## Choose from a growing collection of solutions to help you meet your biggest challenges.

*Support varies by ADP Platform

# ADP Marketplace can help streamline your HR processes.

Reduce the time you spend on manual administrative work and put time back in your day to focus on more strategic initiatives.

**46%**

HR managers spend 46% of their time on administrative tasks.[1]

**69%**

On average, HR professionals spend 69 minutes per day on duplicate data entry.[1]

HR managers say their top barriers to HR systems integration are ease of management and compliance concerns.[1]

# ADP clients will also benefit from:

### API maturity

Clients get seamless experience with pre-built integrations that use advanced, standard-based APIs.

### Governance

All solutions pass a world-class security assessment to ensure employee data is confidential and secure.

### E-commerce

Easily purchase solutions in just a few clicks.

### Single sign-on

Many solutions allow HR practitioners and employees to log in with their ADP credentials.

### Virtual support

Get easy and immediate access to our support team for improved customer experience.

### Unbiased sales consultants

Our associates recommend ADP and other best-of-breed solutions to meet clients' needs.

# Learn more about ADP Marketplace at **apps.adp.com**

Each ADP Marketplace solution has passed a world-class security assessment to help safeguard the confidentiality and integrity of your employee data. Security Magazine ranked ADP's security program in the top five from 2017-2020.[2]
