## *Managing Employees is Complicated – Implementing a Solution Doesn't Have to Be*

### Your dedicated service team is here to help.

Introducing a special benefit for new ADP® franchise clients – a dedicated team of experienced associates who specialize in helping franchisees like you to smoothly implement their services and find payroll, compliance and HR tools to help you build a better business.

Every member of our dedicated support team was a top performing service associate prior to moving to the franchise team.

You and your franchise are in great hands!
