EXTEND YOUR ADP® PLATFORM WITH EASY-TO-USE HR SOLUTIONS

ADP Marketplace

Deliver the HR experience that's right for you and your employees

In the world of HR, it's critical to ensure data runs smoothly. Trying to manage data from multiple HR systems can be time-consuming and costly. With solutions from ADP Marketplace, a digital HR storefront, you can quickly and easily connect and share employee data between ADP and other HR solutions. Choose from easy-to-use solutions that connect to your ADP platform or access ADP APIs to build custom integrations.

ADP clients will also benefit from:

API maturity

Access prebuilt solutions, data connectors, and ADP APIs to deploy or build integrated solutions.

Single sign-on

Most solutions allow you to log in with your ADP credentials.

E-commerce

Easily purchase solutions online and add the cost of your solution to your ADP invoice.

Sales assistance

Our sales associates recommend ADP and other best-of-breed solutions to meet your needs.

Client support

Easily access the right support teams for improved client experience.

Reviews

Learn about client experiences through reviews validated by G2.

Governance

All solutions pass a comprehensive security assessment to ensure employee data is confidential and secure.

AI tools

Find the right solutions for your business with our AI-driven smart search tool. Plus, discover apps with AI features to help you improve your processes.

ADP Marketplace can help streamline your HR processes

Reduce the time you spend on manual administrative work and put time back in your day to focus on more strategic initiatives.

46%

HR managers spend 46% of their time on administrative tasks.[1]

83%

of HR leaders say they're expected to do more.[2]

68%

HR professionals state that reducing costs and increasing efficiency is a top priority.[3]
