Reporting at your Fingertips

Enjoy convenient anywhere, anytime access to your clients' data and reports.

Powerful Solution Demos

See ADP's smart business solutions in action and you'll quickly discover that payroll's just the start.

The screenshot shows the 'Tools & Resources' section of the ADP website. It features a search bar, a list of 'Accounting Tools' including Health Care Reform, Fast Wages and Tax Facts, Calculators and Forms, Business Record Retention Guide, 2011 Year-End Accountant Guide, Health Care Calculator, Tax Researcher, and CCH Library & Learning Center. Below this is the 'ADP/CCH Resource Library' section, which lists various guides and newsletters available for download or purchase. A 'Free and Discounted CPE from CCH' banner is also visible at the bottom.

This screenshot displays the 'Compliance Expertise' page. At the top, it says 'ADP put unrivaled expertise at your client disposal to help keep them fully compliant with the law.' Below this, there are four main columns: 'Products & Solutions' (Products For Accountants, Products for Client's Payroll, More Products & Solutions), 'Tools & Resources' (CCH Library & Learning Center, Tax Researcher, CPE Center, Events For Accountants, More Tools), 'Accountant Login' (EasyPay Client Reports, EasyPay General Ledger Interface, Referral Rewards, RUF Power, More Logins), and 'Working With ADP' (Refer Your Clients, Run a Payroll Business with ADP, Sell Your Payroll Business, Testimonials). A 'Learn About Compliance Expertise' link is also present. On the right side, there are three small promotional boxes for 'Refer Your Clients', 'Run Your Own Payroll', and 'Sell Your Payroll Business'.

ADP Professional Education Center

Register for free webinars, seminars and other custom CPE credit events.
